

MS - Living Symptom Free: The True Story of an MS Patient: A Guide on How to Eat Properly and Live a Healthy Life while Controlling, Reducing, and Eliminating the Symptoms of Multiple Sclerosis

Are you or is someone who you love and care for living with Multiple Sclerosis? For people struggling to discover a happier, healthier way to live with this lifelong disease, it sometimes seems like an impossible task. Now, author Daryl H Bryant shares his own challenges, frustrations, anxiety, and ultimate victories in managing MS. His new book shares his stories as a person faced with the disease. Bryant is not a doctor, but a person living with Multiple Sclerosis. MS - Living Symptom Free shares Bryants daily regimens that have resulted in his symptom-free living. With hard-won insight, practical advice, fitness tips, and recipes, this invaluable guide instructs readers on how to eat properly and live a healthy life while controlling, reducing, and eliminating the symptoms of MS. In each user-friendly chapter, Bryant covers topics including symptoms and complications, the authors own road to MS, the benefits of conventional medication, things doctors dont tell you, popular MS diets, vitamins and supplements, exercise and sleep, staying on track, support systems, and more. The guide also features more than 25 easy recipes that adhere to many prevalent MS-friendly diets. MS - Living Symptom Free reveals the authors own pain, struggles, and depression which led to his hitting rock bottom. Today, Bryant has emerged healthier, happier, and more motivated than ever. Hoping to ease the journey of others, he offers inspiration and frontline guidance to assure patients that they are not alone.
