

Reinventing the Wheel: How 20 entrepreneurs started non-traditional home businesses -- and how you can do it too

** ebook On SALE for \$2.99 for a limited time only! ** The path to business success might be shorter -- and a lot more fun -- than you imagine. Need some inspiration to get you started? This book will introduce you to 20 entrepreneurs who started non-traditional home businesses, including:- A woman whose passion for horses inspired a line of equestrian fashion (and why she decided to donate all her profits to horse rescue organizations)- A company that sells items to help injured/needy pets and farm animals- A multi-million dollar company that produces rubber ducks in the shape of celebrities- A computer-based home contractor referral system- A woman whose passion for holistic health launched a line of handcrafted, organic beauty products- A business dedicated to designing fashionable medical accessories, such as cast covers ... and much more. Learn about their AHA! moment (and how they knew the idea was a winner!), how they got started, and how much they spent to launch their businesses.Plus, see how much they earned in their first year -- and how much theyre earning now! If you need some encouragement to start a non-traditional home business, these profiles will inspire you to get moving.
