

The Students Guide to Writing: Grammar, Punctuation and Spelling (Palgrave Study Guides:Literature)

John Peck and Martin Coyle's *The Students Guide to Writing* became a firm favourite amongst lecturers when it published in 1999. Aimed at students wishing to perfect their writing skills, it shows them how to construct a sentence, a paragraph and an essay and carefully explains grammar, punctuation and spelling. For this second edition, the authors have made their explanations even clearer, included a Spot the Mistake section, and added an index for easier navigation.
