

## Operation Enduring Freedom: October 2001-March 2002:

The United States Army in Afghanistan is a powerful story of the first military efforts to strike back at the terrorist organization al Qaeda in the aftermath of its 9/11 attacks on the World Trade Center and the Pentagon. Al Qaedas leader, Osama bin Laden, believed he and his followers living and training under the protection of the Taliban regime in the far-off mountains of Afghanistan were beyond the reach of American arms.
