

Adventures in Paracord: Survival Bracelets, Watches, Keychains, and More

Developed during World War II, paracord is one of the most famous types of cordage used by the military even today. It is strong, light, and can be used for thousands of different tasks, from the practical to the fashionable. Heavy on pictures, Adventures in Paracord will guide you through the basics of paracord weaving and its uses every step of the way. Learn to make survival bracelets that contain up to 20 feet of paracord for emergencies, stylish bracelets for both men and women, rugged and durable watch bands, keychains, lanyards, handle wraps, and even more!
