

Bundle: Essentials of Modern Business Statistics with Microsoft Excel, Loose-leaf Version, 6th + CengageNOW(TM), 1 term (6 months) Printed Access Card

Integrating Microsoft Excel 2013 throughout, ESSENTIALS OF MODERN BUSINESS STATISTICS, 6TH EDITION provides an introduction to business statistics that blends a conceptual understanding of statistics with the real-world application of statistical methodology. Leading the business statistics market for two decades, this author team is renowned for their high-quality problems, unwavering accuracy, and signature problem-scenario approach that clearly illustrates how to apply statistical methods in practical business situations. Step-by-step instructions and screen captures show students how to most effectively use the latest version of Excel in statistical procedures, while numerous exercises give them hands-on experience putting what they learn into practice. In addition, the Sixth Edition is packed with all-new Case Problems, Statistics in Practice applications, and real data examples and exercises.
