Survival BOX SET 3 In 1: Hunting And Fishing + 30 Hacks And Projects + 20 Must-Have Tools To Help You Survive Anything BOOK #1. Survival Skills: Hunting and Fishing + 20 Necessary Hacks to Survive the Wilderness

The world outside of our safe, civilized neighborhoods and cities is wild and full of everything we need to survive. Food and water can be had if you know where to look and you have a few essential skills to get it. Fishing and hunting skills will give anyone the ability to feed themselves and their family. Learning to make a shelter out of the items you can find in the wild is a skill that can save your life Essential skills such as how to use signals in nature to find the four cardinal points to help you find your way, it can make the difference between being lost in the wilderness and finding your way home. This book will give you all of the skills you need to survive in the wild, even if you have never camped, fished or hunted you will be able to care for yourself and loved ones with this informative book. BOOK #2. Survival: Preppers Guide. 10 DIY Projects to Help You Survive Anything Basically it is a Preppers guide that includes 10 Do It Yourself projects that you can do easily at the time of any disaster. This book aims to prepare you for any mishap that can affect lives and when there are less chances of survival. Usually some disasters are unpredictable but if you are already prepared then you can face them without any difficulty. This book will suggest you 10 DIY projects that will help you a lot to in any disastrous situation. When you are already prepared, you can tackle things in a good way and dont act like you know nothing. After reading this book you wont have to fear about what to do if you are in need of something. Moreover this guide

will suggest you some tools that you can use for your survival well before the time. At the time of disaster when unprepared people would be wandering in search of supplies or other things, you wont be wasting time like them. Rather you will concentrate on last minute preparations. This guide will amazingly prepare you for unseen things and you would be able to save yourself, friends and family members. This book has covered the following projects that will make your survival possible: BOOK #3. Survival: 20 Survival Tools Every Prepper Should Have To Survive Anything And Ways To Use Them

The disaster may strike your door any time because it is really hard to predict an actual day of the earthquake or storm. There could be some weather updates or predictions that can help you to have an idea of horrible disasters. After knowing about the disaster, it will be good to get ready for the survival days. Your advance preparations will help you in a better way. The Survival: 20 Survival Tools Every Prepper Should Have To Survive Anything is designed for you as a guide.
