

Chakras: Balance Your Bodys Energy for Health and Harmony

...Mercier has written a great book... for cynics and believers alike. For anyone raised in the nonmystical United States, these Eastern medicinal/spiritual theories may be a bit hard to swallow, yet the book is still chock-ful of good health advice, invigorating guided imagery techniques and statements that make you stop and say Huh.--FIT. This illustrated guide provides instruction and inspiration for revitalizing seven major chakras, 21 minor ones, and connecting pathways.
