

## Chimalpahin and the Kingdoms of Chalco

A thorough treatment of the sociopolitical history of the kingdoms of Chalco as seen through the eyes of one of the great post-Conquest Nahuatl historians... . Students of Nahuatl language will be rewarded by the extensive citations (with accompanying translations) of relevant material from original Nahuatl sources. Choice By delineating the concepts and personae that were most salient in Chimalpahin's politically-oriented perspective on the past, Schroeder has advanced our understanding of native Mexican political organization and has made a major contribution toward interpreting the work of this Nahuatl historian. Anthropos In this well-structured volume, Susan Schroeder synthesizes Chimalpahin's detailed information on the Prehispanic kingdoms of Chalco (located in the southern Valley of Mexico) with particular emphasis on their sociopolitical organization... . A valuable contribution. American Antiquity This is an important piece of scholarship which makes more accessible to general historians of colonial Mexico an item of Nahuatl literature. The Americas
