

## Discourse (The New Critical Idiom)

Sara Mills offers an accessible and comprehensive analysis of the term discourse and explores the theoretical assumptions underlying it. This handy, easy to follow pocket guidebook for students provides: \* straightforward working definitions \* historical developments of the term \* studied analysis of Michel Foucault \* discussion of the appropriation of the term discourse by feminist, colonial and post-colonial discourse theorists \* examples of literary and non-literary texts to illustrate the use of discourse.
