

Living With Alcoholism & Addiction: The Elephant in the Room

This book is dedicated to the family members that still suffer with living with alcoholism and addiction in the home. Making change is often the hardest thing we can do, but it is the best solution for ourselves and for our loved ones with addictions. Never fear independent thinking and growth. Move forward and seek the happiness you deserve and want. We are never stuck in a situation. There are always choices to be made and options. There is always opportunity for growth. Take that opportunity and embrace it.
