

Elizabethan Demonology

This Essay is an expansion, in accordance with a preconceived scheme, of two papers, one on The Witches in Macbeth, and the other on The Demonology of Shakspeare, which were read before the New Shakspeare Society in the years 1877 and 1878. The Shakspeare references in the text are made to the Globe Edition. The writers best thanks are due to his friends Mr. F.J. Furnivall and Mr. Lauriston E. Shaw, for their kindness in reading the proof sheets, and suggesting emendations.
