

# Empress Wu Zetian (The Legendary Women of World History) (Volume 5)

The most hated woman in Chinese history! Born in 624 CE in Wenshui County in Shanxi province, very little was expected of the beautiful and bright Wu Zhao (reign title Wu Zetian)-- except that she would be trouble to any man unlucky enough to marry her. The very opposite of a virtuous maiden by most interpretations of the Analects of Confucius, Wu Zhao was not only bright, but highly educated and equally ambitious. Harshly judged by both contemporaries and generations of Chinese scholars since, the one thing everyone can agree upon about Empress Wu: the world is a vastly different place because she dared what no other woman of her time dreamed was possible. This is her true story, a truly legendary woman of world history.
