

## Zoey and the Zones Interactive Workbook for Parents of Children with Asthma (Live with and Manage Your Childs Asthma)

This workbook on asthma is long overdue-entertaining, educational, and easy to understand, a staple for years to come. Learn how to: Live with and manage your child's asthma; Identify and minimize your child's asthma triggers; Identify and properly use your child's asthma medications; Properly use a peak flow meter, MDI, spacer, and nebulizer compressor; Help your child relax and minimize panic during an asthma attack; Help your child participate in sports and exercise with minimal or no asthma symptoms; Identify and minimize food sensitivities your child may experience; Manage your child's asthma symptoms and avoid attacks using the zone treatment plan...and more!
