

Amish Harvest: Complete Volume Series

When Bailey Parker is offered the deed to her Great Aunts farm by her father if she can harvest the apple orchard single-handed, there isn't one thing that she will allow to get in her way. Despite the many mishaps she encounters, she is determined to get that deed. If not for Luke, the Amish, tenant-farmers oldest son, she could stay on task, but her attraction to him is becoming a little more than a distraction.
