Aktins Diet, an Overview Atkins diet promises that youll lose weight by getting rid of the carbs out of your diet and eating more amount of meat. This diet is focus on those people who want to get through obesity and include high amount of carbohydrates in their diet. By lowering the amount of the carbs you consume on a daily basis and adding the amount of protein and fats, the body will then lose more weight as it burns the fats stored in the body more effectively. The Atkins diet depends on the person whos doing the diet, he should rely greatly on fat and protein. This diets basis includes fish, chicken, red meat, cheeses and you even use butter when you cook.
