

The Game of Life

The Game Of Life & How To Play It by Florence Scovel Shinn. The Game of Life and How to Play It includes quotes from the Bible and real-life anecdotes to explain the authors understanding of God and man. About the Author: Florence Scovell Shinn (1871 - 1940) was an artist-turned spiritual teacher, healer and writer who lived in New York. She is best known for her first book *The Game of Life and how to Play it* (1925), which includes quotes from the Bible and real-life anecdotes to explain the authors understanding of God and man. Florence Scovel Shinn may be considered a member of the New Thought movement, as her writings follow in the tradition of Phineas Quimby (1802 - 1866), Emma Curtis Hopkins (1849-1925), and Charles Fillmore (1854 - 1948) and Myrtle Fillmore (1845 - 1931), co-founders of the Unity Church. Scovel Shinn was also a contemporary of William Walker Atkinson (1862 - 1932), James Allen (1864 - 1912) and Emmet Fox (1886 - 1951). Scovel Shinn writes that ignorance of or carelessness with the application of various Laws of Metaphysics (see below) can bring about undesirable life events.
