

How To Return Beauty and Clear Vision Back to Your Eyes: Practical Guide for Anyone with Poor Eyesight

The book is a practical course for natural eyesight improvement. The author was able to combine the new system that allowed to accomplish incredible results restoring her own vision, clearing eye color, removing eye wrinkles and getting rid of all facial twitches she had. The book is a priceless guide with step-by-step instructions helping to achieve ideally clear vision in a short period of time. The result is seen already on the 4th day of using the book. The techniques used in this book are ancient methods of natural eyesight improvement such as yogic eye exercises, Japanese acupressure, Russian contrast eye bathing, Indian eagle eye methods, Chinese eyelid face lifting etc. The book is written in simple format making sure that the process of improving eyesight is easy and enjoyable. Most of the techniques described are easily performed in the office environment, meant to speed up mental activity, sharpen attention and are well adapted to our fast paced lifestyle.
