

## How to Defeat Laziness (NABRE)

Laziness is a spirit that will overpower anyone that is disinclined to work. We are creatures of habit, whether they are good habits or bad habits. How to Defeat Laziness is a reader-friendly book that is packed with many answers to questions about what laziness is and why people are lazy. In God's word, we can come to understand what He has to say about laziness and, more importantly, how He can help us defeat the spirit of laziness. In all labor there is profit, but mere talk tends only to loss. (Proverbs 14:23, NABRE)
