

# Katzung & Trevors Pharmacology Examination and Board Review,11th Edition (Katzung & Trevors Pharmacology Examination & Board Review)

The most up-to-date medical pharmacology review available From the authors of Basic and Clinical Pharmacology, the leading pharmacology textbook, here is the newest edition of the best review book available for medical pharmacology course exams and board examinations. This skill-building guide comes with more than 1,000 questions and answers - far more than most other pharmacology reviews - and a chapter-based approach that facilitates use with course notes or larger texts. Presented in full color and organized to match the syllabi of pharmacology courses, the book is highlighted by concise discussion of the major concepts the underlie basic pharmacology principles or specific drug groups, and learning aids that include numerous tables and figures, high-yield terms and definitions, summary tables, test-taking strategies, and two complete practice exams with answer explanations in the appendix. Delivers the most up-to-date information on all drugs, including retrovirals, immunologic agents, and chemotherapies. Includes two comprehensive 100-question examinations
