

# Life is a Gift: And Other Lessons Im Learning From My Daughters - A True Story

Jenny counted her newborns fingers and toes, amazed anew at Gods tremendous gift of life-but the gift did not turn out as she hoped. Her precious baby girl, the fulfillment of her childhood dreams, had serious medical problems. As her dreams crumbled around her, Jenny wrestled with the God of her youth-a God she knew only as secure, faithful, and loving. Now her prayers rang hollow, and God seemed unpredictable, confusing, and distant. Didnt He see tears? In this tender and deeply personal story of dashed hopes and broken dreams, Jenny shares in vivid detail her struggle to accept the journey God chose for her journey of faith through which she reluctantly embraced the lessons God had set before her. Through brokenness, she gained peace, comfort, even joy and a far deeper understanding that life-all life-is a gift from God.
