

Macbeth: Teachers Edition

This edition of William Shakespeares Macbeth is the perfect companion to teachers. In this annotated teachers edition, the unabridged version of the book is included along with five days worth of lesson plans, a study guide, and a biography about the life and times of Shakespeare. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
