

Midsomer Murders on Location (Location Guides)

The majority of the pretty villages that make up Midsomer country are actually strewn over four counties - Berkshire, Buckinghamshire, Hertfordshire and Oxfordshire. Here for the first time is a comprehensive guide to the gorgeous locations used in filming the series. From Aldbury to Windsor, this book, published in conjunction with the Midsomer Murders Society, surveys over one hundred of these picturesque locations, complete with filming anecdotes. However, it concentrates primarily on the historical aspects of each site, most of which are open to the public and worth a visit in their own right. The guide is fully indexed by county and episode, and covers everything from public houses to churches and stately homes. Midsomer Murders on Location is extensively illustrated and contains maps to assist the reader in planning their own visit.

This book is a must for all Midsomer Murders enthusiasts as well as those interested in visiting some of England's finest countryside. Published in conjunction with The Midsomer Murders Society and Bentley Productions.
