

My Daddy, Dr. Martin Luther King, Jr.

What was it like growing up as a son of Dr. Martin Luther King, Jr.? This picture book memoir, *My Daddy, Dr. Martin Luther King, Jr.* by Martin Luther King III, provides insight into one of history's most fascinating families and into a special bond between father and son. I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character. Martin Luther King III was one of those four little children mentioned in Martin Luther King's groundbreaking *I Have a Dream* speech. In this memoir, Martin Luther King Jr.'s son gives an intimate look at the man and the father behind the civil rights leader. Mr. King's remembrances show both his warm, loving family and a momentous time in American history. AG Ford is the illustrator of several other books for children, including the New York Times bestselling *Barack*. He is the recipient of an NAACP Image Award.
