

Contemporary Human Geography, Books a la Carte Edition (3rd Edition)

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. xxxxxxxxxxxxxxxx For courses in Human Geography Modern, Visual Focused Approach on the Essentials of Human Geography Contemporary Human Geography is a smartly crafted, modular springboard into essential human and cultural geography concepts, designed for the modern geography student. This brief, innovative text explores contemporary human geography in the bold visual style that distinguishes Dorling Kindersley (DK) publications. Topics within each chapter are organized into modular, self-contained, two-page spreads. Together with the graphics, Rubenstein's efficient writing presents information clearly without sacrificing the high-quality geography content essential to students and instructors. The Third Edition offers a deeper level of integration with MasteringGeography, additional active learning opportunities, expanded critical contemporary topics, and features that encourage group work and in-class discussions. Also Available with MasteringGeography This title is also available with MasteringGeography -- an online homework, tutorial, and assessment program designed to work with Contemporary Human Geography to engage students and improve results.
