

## Help With Skin Care: A Guide For Teens, Men and Women of All Ages

Help With Skin Care, gives sound skin care advice to teens, men and women of all ages. We share top industry secrets and recipes to expensive cosmetic products- - saving our readers hundreds of dollars per month. Anyone suffering from acne (whether teen or adult) should read this book. We go over all the options there are to treat this bothersome skin disorder, as well as give tips on natural alternatives to treat acne. If you're interested in solid advice to combat anti aging, Eva Taub has you covered! If you suffer from Psoriasis, Dermatitis or Eczema, we cover this as well. We also write about alternative treatments, skin care recipes, and immediate home remedy relief for the above bothersome conditions. Mens skin care is covered in-depth. chapter 8 provides useful skin care tips that are easy to implement; while chapter 9 covers skin care recipes kept secret, until now! Any esthetician (new or veteran) that is interested in perfecting the skill of skin care should read a copy as well. While a comprehensive guide, Eva Taub writes in simple, easy to understand terms for every reader.
