

## Los Upanishads (Coleccion Solidaria) (Volume 14) (Spanish Edition)

Los títulos de las Upanishads son en su mayoría intraducibles pues en algunos casos estos son simplemente la primera palabra del texto (Kena, Isa) y en otros el nombre de la escuela vedica que los patrocinó (Taittiriya, Maitrayaniya) o del sabio que los enseñó (Aitareya, Kausitaki, Katha, Svetasvatara). Otros títulos podrían, sin embargo, verse al español. Así, Brihad-aranyaka es la Upanishad del Gran Bosque, Chandogya la del Cantor del Sama Veda, Prasna la de la Pregunta y Mundaka la Liberadora.
