

The Afghan Paradox

One of the most revealing and penetrating insights into Afghanistan and its people since the beginning of the US involvement there following 9/11. Author, Gennaro Buonocore (Failure of European Multiculturalism: The Islamist Crusade) intellect is matched only by his intuitive grasp of the observations he makes as he explores the colorful culture of Afghanistan and the history of one of the most tumultuous countries in the world today. A vivid account of Afghanistan through the eyes of a master story-teller.
