Before I worked with 40-Day Publishing my Amazon sales were basically non-existent. I knew the only way to make it in this industry was to make it on Amazon. After finding 40-Day Publishing and following their wonderful advice my Amazon sales went from a 20 sale average monthly to over 600 sales monthly and continue to grow. Not only did they increase my sales, but I hit #1 on the Amazon Overall Best Seller list! I believe those numbers speak for themselves, but I highly recommend 40-Day Publishing. ~ Jennifer McMurrain, author Quail Crossings
