

Soccer: Mastering the Basics with the Personalized Sports Instruction System (A Workbook Approach)

This guide to soccer uses the Personalized Sport Instruction model of teaching (PSI), which is widely respected as an effective, interactive, student-centered teaching model. This workbook, as part of a six-book series, features a common organization and framework for planning, managing, implementing, and evaluating the fundamentals of learning badminton. Each module includes specific directions for setting up learning tasks and criteria for demonstrating mastery. For anyone interested in the sport of soccer.
