

The Convoluted Universe - Book Four

Dolores Cannon continues her popular Convoluted Universe series. The long awaited book four is now available! It continues to explore unknown metaphysical theories and concepts, and introduces new ideas that challenge traditional ways of thinking. These books are designed for those who want their minds bent like pretzels. By opening up new ways of looking at our world and our reality, the reader is able to create a new consciousness that is needed in our time now. More information about the spirit side where we go after we die. The life reviews and preparing contracts and your life plan of what you hope to accomplish on your return to Earth. Murders and Suicides Lives as other creatures besides humans Living all your lives past, present, future simultaneously. Unknown information about DNA: Changing DNA and the Color of DNA The Role of HIV/AIDS in the raising of the consciousness The veil between other dimensions is thinning allowing us to see and our psychic abilities are becoming more manifest. The activation of a new powerful energy to be used in this time of transformation Time Portals and Dimensions The creation of planets, and the formation of life on Earth. The reuniting of all the fragments of the soul The unfamiliar concept of the Back Drop People. And much more!
