

The Last Escape: The Untold Story of Allied Prisoners of War in Europe 1944-45

By June 1944 there were hundreds of thousands of American and British prisoners of war in camps across Nazi-controlled Europe. News of the D-Day landings, heard on secret camp radios, filled the prisoners with both hope and dread. Amid this confusion and fear, the POWs were herded from their camps and forced at gunpoint to walk many hundreds of miles deeper into Germany on what the POWs themselves called the Death March. In *The Last Escape*, Gulf War POW and author John Nichol and popular historian Tony Rennell relate the astonishing story of these unrecognized heroes. Drawing upon interviews with many surviving veterans who speak here for the first time, this is an unparalleled account of endurance and courage in wartime.
