

# The Tall Mexican: The Life of Hank Aguirre All-Star Pitcher, Businessman, Humanitarian

Growing up, Hank Aguirre rose every morning long before school to make and deliver tortillas as part of a small family business. In his free time, the teen-aged Hank played Legion baseball and in neighborhood pick-up games. After graduation, he signed on with the Cleveland Indians organization. Hank Aguirre enjoyed a successful, award-winning major-league career as a pitcher. Then, instead of basking in his popularity, he went on to found Mexican Industries in the burned-out heart of crime-ridden urban Detroit. His firm gave employment to more than a thousand people, bringing hope where there had once been only despair. This was a man who pushed beyond mere celebrity to become a true hero.
