

This Isn't the Life I Signed Up for: But I'm Finding Hope and Healing with Book(s)

Finding Hope and Healing Through Lifes Hard Times Hey, God, this isn't the life I signed up for! I specifically remember signing up for great parents, a great marriage, and great kids who rise up and call me blessed. I signed up for lifelong friendships, thin thighs, and vibrant health. Instead, I find myself in the middle of the life I DIDN'T sign up for. What's going on here? No one signs up for the challenges of life, but in the real world, heartache is inevitable. We all want to live happily ever after. As Donna tells stories from her own life, you'll recognize your life, your struggles and broken dreams. She examines issues common to all women, including: Disappointing relationships Foolish choices Less than perfect families The search for love The desire to make your life count If you're ready to discover a new approach to life an approach that promises hope and healing then *This Isn't the Life I Signed Up For* is for you. As Donna says, If God can breathe new life into my weary heart and soul there's hope for everyone! Also available: the accompanying *This Isn't the Life I Signed Up For - Growth Guide*
