

City Preppers: How to Build Your Pantry and Develop the Skills You Need to Survive, Even When You Live in an Apartment (Prepper Guides Book 1)

Prepping isn't just for survival junkies. It's for everyone. Whether you live in a city that tends to get hurricanes or you've found yourself nestled in an apartment somewhere there are blizzards, it's important that you take the steps necessary to protect yourself and your family during a disaster. *City Preppers: How to Build Your Pantry and Develop the Skills You Need to Survive, Even When You Live in an Apartment* focuses on what it takes to start building up a pantry, learning skills, developing an emergency plan, and surviving during a difficult time. Written by author Penelope Hoyt, this book shows you how to take your prepping from non-existent to awesome WITHOUT having to move to a farm.
