

Creative Decision Making: Edgar Cayce Presleep Series

According to Edgar Cayce and modern psychology, your subconscious mind is extraordinarily creative and will follow the directions you give it. With the A.R.E. Presleep Series, your conscious mind will work in harmony with your subconscious. There are no hidden subliminal messages, only a safe and effective method of working with the power of suggestion. Every night while you sleep, your sixth sense awakens. Learn how to make it work for you. Use this program to: Receive inner guidance to problems Answer unsolved questions Develop your intuition and hunches
