

Medikidz Explain Asthma Whats Up with Max?

Medikidz Explain Asthma Ages: 10-18. New! Hip, graphically-appealing, humorous, comic books teach children about health. By following the adventures of the Medikidz Superheroes, kids learn about health and disease in a humorous and engaging way. This is a very clever way of involving children. The comic books are packed with useful information, which both children and parents will find very helpful! The comic books explain complex medical concepts in simple terms which even a child can understand! Perfect for school nurses, pediatricians, and counselors. Stunning full color graphics, engrossing stories, glue-bound, 36 pages. Available by individual titles or as an entire library.
